## SPAMfighter Pro

SPAMfighter PRO has partnered up with Microsoft to build the most effective and easy-to-use spam filter for Outlook, Outlook Express and Windows Mail.

Whenever a new mail arrives, it will automatically be scanned by SPAMfighter and if it's spam, it will instantly be moved to your spam folder. SPAMfighter PRO is ideal for home and small business users and currently has over 5.8 million users in 224 countries.

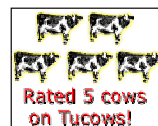

- ✓ Protects against "phishing", identity theft, and other email fraud
- ✓ Free automatic updates
- ✓ Privacy guaranteed - we don't see or save any of your emails
- ✓ Spam reporting with one click
- ✓ Automatic whitelist management including "real mail" protection
- ✓ Easy to install and use and does not require any technical background. Up-to-date marketing materials.
- ✓ Unique language filtering tool that empowers you to stop emails written in specific languages
- ✓ Languages: English, German, Spanish, Chinese, French, Italian, Greek, Dutch, Swedish, Norwegian, Suomi, Russian, Bulgarian, Portuguese, Japanese, Czech, Thai and Danish
